HACCP International Pty Ltd certifies the products listed above as suitable for use in food handling facilities that operate in accordance with a HACCP based Food Safety Programme.

Licence Commencement 03 April 2022

Certificate Issue Date *RM* 06 April 2022

HACCP International's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based Food Safety Programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

Licence Agreement

Environmental Fluid Systems (EFS) is licensed to use the HACCP International certification mark, in accordance with HACCP International's Certification Trade Mark Rules and Conditions in Region 1 (Australasia) in respect of the products listed above, for a period of 24 months from the licence commencement date. Environmental Fluid Systems (EFS) is in receipt of the HACCP International Pty Ltd Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
