MAK REX

EXTRA HEAVY DUTY DEGREASER (NSF A1)

MC606

PRODUCT INFORMATION

MAK REX is a Unique formula, Super-concentrated Alkaline detergent developed for intensive cleaning in various industrial environments. MAK REX can be used to remove all types of animal, plant or mineral substances from any non-absorbent surface.

MAK REX is a concentrated water-based detergent that removes machining fluids, oil spills and greases without any problems. Also suitable for dissolving impurities on metallurgical material and for preparing surfaces for painting. MAK REX removes inorganic particles and combustion deposits. It can be used to remove liquid inks, especially flexographic

Typical Applications

- Machine tools
- Industrial floors
- Food processing equipment
- Floor brushing machines
- Injection moulds
- Metal surfaces, parts etc.

Beneficial Qualities

- Industrial cleaning for complex applications
- Concentrated water-soluble
- Use on any non-absorbent surface
- Does NOT cause corrosion
- NSF A1 Certification – Czech Approval
- Suitable for HACCP Food Plan (Hazard Analysis and Critical Control Point)
- Effective agent against viruses and bacteria of various types
- Can be used as a surface disinfectant
- Cost Efficient - can replace several other cleaner types (due to formula & mixture ratio options)

MAK REX

EXTRA HEAVY DUTY DEGREASER (NSF A1)

MC606

Technical Details

Appearance / Colour	Liquid / Yellow
pH (concentrate)	13-14
Specific gravity (g / l)	1.03

Dilution/Mix Ratio with Water

Heavy pollution	1 : 5
General use	1 : 20
Regular cleaning	1 : 50

Instructions for Use

1. Dilute the product according to the Dilution/Mix Ratio Recommendations
2. Apply via hand spray applicator, mop, cloth or brush
3. Leave for a few minutes
4. Wipe or rinse thoroughly with water
5. Repeat if necessary
6. The product significantly increases its efficiency by heating to 70°C
7. For Best results - use with Warm water

Product Manufactured in Czech Republic.

DISCLAIMER NOTICE:

T&T Eco Ltd does not guarantee that the information about the product is complete or accurate in all respects.
T&T Eco Ltd does not warrant that the product is suitable for your specific use of the product.
T&T Eco Ltd shall not be liable for any consequential loss, incidental loss, damages resulting from misuse or sale of the product.
The product should be tested on a non-visible part of the area to be cleaned to ensure that it is suitable for use thereon.
